

## **RYA Powerboat Intermediate**

This two day course is designed to build on the 'RYA Level Two Course' skills. It includes close quarter boat handling, high speed navigation techniques and coastal passages along the Riviera using GPS and traditional chart work.

It is recommended that candidates hold both VHF and First Aid Certificates.

**Previous knowledge:** RYA Level 2

**Duration:** 2 days

**Course venue:** Beaulieu sur Mer or own boat tuition

Why choose Oceanpro for your Intermediate course?

- A great way to refresh and develop the skills learnt on your RYA Level 2 course.
- Training in both outboard and twin engine craft along this fabulous coastline.
- Visiting stunning locations such as nearby Monaco and Villefranche sur Mer.

---

## **Course syllabus**
